Blue Chips In Demand At New York

NEW YORK (UPI) — The stock market ended the week on a note of strength.

Stocks ran up sharply in more active trading as investors followed through with the buying that snapped the market out of its lethargy yesterday.

The market responded to a long list of favorable news items with gains that ran past 7 points in some issues. A number of the prime investment stocks were strong, which gave the averages a boost.

The market has added more than $3,500,000,000 to valuations in the past two sessions after moving within a fairly narrow range the past two weeks.

General Time ran up around 7 in the electronics. Thiokol was up more than 6 in the chemicals. Autos, oils, aircrafts, drugs, utilities, tires, and other groups all featured gains of 1 and 2 points or more.

American Telephone at its high was up more than 3 points which carried the price to its highest level since 1930.

Western Oils Gain

TORONTO (CP) — Western oils scored their best advance in almost three weeks but the rest of the stock market slipped back in moderate trading.

Of the speculative mines four of five of the most active gained. Can-Erin was the most active and the leader, up 16 cents at $1.90 on a turnover of 445,333 shares.

Among industrials, Universal Controls dipped 23⅛ points at 62 on a single sale. General Development, a 6¾ point loser Thursday, recovered six points at 52. Chrysler Corp. was up 7¼ at 62¾ on two sales.

Bailey Selburn had the best gains in western oils, up 35 cents at $9.05.

Senior base metals were ahead but juniors were down. International Nickel gained ¾ at 89½. Golds were lightly traded and changes were small.

Bell Rights Active

MONTREAL (CP) — Prices on the Montreal and Canadian stock exchanges were thoroughly mixed. Industrial volume, with continued heavy trading in Bell rights, was again high.

The rights were unchanged at 99 cents. Other utilities were also active and Bell at 40, and Brazil at 6¾ were both unchanged. Issues that showed price changes were irregular.

Base metals, led by Aluminium off ⅝ at 27½, were generally lower.

Orchan was the highlight of the penny mines and oils, gaining 7 cents at 175 in turnover of more than 500,000 shares. There were rumors of favorable drill results.

Coppers Hold Firm

VANCOUVER — Changes were small and the tone mixed in quiet trading.

Most coppers held firm with Trojan advancing three cents to 22 cents. Cowichan eased to 1.05. Sheep Creek dipped to 1.55.

Peace River continued to strengthen at 64 cents among oils and Fort St. John added five cents at 3.10.

B.C. Telephone at $44½ was in demand among industrials and Inland Gas added a fraction at $6. Also higher was Canadian Collieries at $7⅛. Woodward Stores eased to $22¼ down over a point from its recent peak.
